

# DARBY HYGIENIST PLUS HANDPIECE

Darby's Hygienist Plus Handpiece is a 4-hole, lightweight, ergonomically designed handpiece with a 360° swivel nose that is ideal for hygiene procedures. The simple push/pull chuck system is easy to operate. The 2.7 ounce construction minimizes hand fatigue. Darby's Hygienist Plus Handpiece is designed for use with disposable prophylaxis angles and comes with a six month warranty.

**9529950** 4-Hole
