

# Practice Management Bridge®

## It's better with Bridge™

Count on one platform to help you drive more revenue for your practice and create incredible efficiencies. Practice Management Bridge is the all-in-one solution that empowers you to simplify the way you run your healthcare business. It's possible to get more done, and get immediate results, when you have the right technology at your fingertips.

### Bridge Engagement

Keep your schedule full, patients notified, and the practice running smoothly.

### Bridge Payments

Increase patient payments, improve office workflows, and grow profitability.

### Bridge Compliance

Navigate and manage the complexities of HIPAA and OSHA compliance with ease.

#### ✓ A single, scalable solution

One platform with patient engagement, payments, and compliance, works for one location or across thousands.

#### ✓ Powerful integrations

Works seamlessly with your existing healthcare technology to save time, reduce costs, and increase productivity.

#### ✓ Easy to implement and use

Software that simplifies healthcare operations by automating processes and complementing existing workflows.

#### ✓ Secure and reliable

Over 30 years of experience providing healthcare specific technology solutions to enhance profitability, efficiency, and security.

Synergy Dental Partners is proud to partner with Rectangle Health to offer Practice Management Bridge to our members. As a Synergy Dental Partners member, you're eligible for special promotional offers.
