

# DENTAL ARTS LABORATORIES, INC.

SERVING DENTISTRY SINCE 1934

## Welcome to Synergy Dental Partners!

Dental Arts Laboratories, Inc. is a family operated group of dental laboratories providing you with a complete range of services, including ceramics/crown and bridge, full and partial dentures, fixed and removable implant prosthetics, snoring/sleep apnea appliances and bruxism/occlusal splints.

As one of the most technically advanced dental laboratories in the United States, DAL provides you and your patients with the most advanced prosthetic options available in today's dentistry. Our digital platform features 3D CAD (computer aided design) in conjunction with precision German milling machinery and a complete range of 3D printing technology, creating restorations with precise fits, maximum esthetics and ideal product performance.
