

Don't Let Cyber Threats Keep You Up at Night!

Your Peace of Mind, Our Priority with your Synergy Membership

Patient data privacy is paramount. Security breaches can be devastating for my dental office's reputation and it keeps me up at night.

Our expert team will implement top-notch security measures to protect your patient data. Think of us as your **digital bodyguard**, keeping your practice safe and secure.

Enjoy exclusive access to Dental IT Solutions
starting at \$299 per month (regularly \$349+) for
ProCare Business.

Safeguard your patients' trust. With HTI's 27 years of experience, our Cisco-certified experts will implement advanced security measures, including EDR, firewalls and regular backups, to protect your practice from cyber threats.
