realspace®

Chair Mats

Realspace® Chair Mats help protect your floors from the wear and tear caused from rolling casters. The smooth, flat surface provides fluid mobility, which can reduce unnecessary body strain. Select the right one for each situation. They vary more than you think.

Don't let this happen to your flooring!

The unsung hero of office flooring

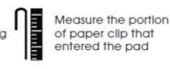

PREVENT WEAR & TEAR

Dense carpet? Commercial-grade carpet? Hard surface flooring? We've got the chairmat for you. Determine your surface, your usage and your space. It's that simple. All Realspace® Chair Mats meet or exceed ANSI/BIFMA quality standards.*

Determine where and how often you use your chair mat

- For use on hard floors and low-pile carpet. Ideal for cement, commercial carpet, linoleum, tile, wood and wood laminate surfaces.
- Polyester surface with a hard PVC core.

- Felt backing for nonslip performance and protection.
- Mat easily folds in half with perforated seam.

NewLife[®] ECO-PRO

PREMIUM HOSPITAL GRADE ANTI-FATIGUE FLOOR MATS

Stop the Hurt While You Work!

- Unmatched ergonomic comfort reduces discomfort & fatigue caused by standing
- 3/4" energy-return polyurethane foam
- Fluid & dirt resistant
- Low-profile, durable edges & slip-resistant bottom

IDEAL IN

Labs, ORs, nurse's stations, pharmacies, anywhere that medical professionals are required to stand for periods of time.

Ergonomic Study Winner

NewLife Eco-Pro Anti-fatigue Mats were proven by a major university study to be ergonomically beneficial to workers who stand.

Traditional commercial mats typically fall short of providing superior comfort or durability, while the EcoPro mats provide both.

"I like the springy feel of the mat as well as the fact that it stays where you put it and doesn't move around."

D. Berman, RPh, Pharmacist • Winn Dixie

"A lot of mats say they are good for your feet, but when you try them, they are too soft and bottom-out or too stiff and do not provide a lot of padding/comfort. The comfort of the NewLife mat was excellent and it looks sharp!"

D. Cook, Pharmacist • Market Pharmacy

Every aspect of the NewLife Eco-Pro Anti-Fatigue Floor Mat has been designed for long-lasting comfort and support.

From its easy-to-clean top surface to the slip-resistant bottom, the NewLife Eco-Pro is equipped to handle commercial level traffic and still deliver the comfort that medical professionals demand. The gently beveled edge ensures that tripping will be minimized while still maintaining a generous 3/4" over the majority of the mat. It's built with durable 100% polyurethane that lasts, too. The single-piece design ensures that there will be no breaking-down or delaminating like cheap imitators. No ugly, unsanitary mats that peel and curl and become a tripping hazard as they age. The NewLife Eco-Pro is easily cleaned with hospital grade quaternary cleaners.

NFSI High-Traction Bottom
certified by the National Floor Safety Institute

Integral Skin
stain & puncture-resistant surface prevents absorption of dirt & water

Premium Comfort
proprietary Cellulose® core technology will not lose bounce over time
