

Less Downtime, More Savings with Your Synergy Membership

When our network goes down, it's a struggle to get it back up. We can't afford a prolonged outage with rescheduled appointments & frustrated patients.

Network outages can cripple daily operations. We make sure your IT infrastructure is reliable providing redundant systems and backup plans. We can identify and address potential issues before they escalate.

Enjoy exclusive access to Dental IT Solutions
starting at \$299 per month (regularly \$349+) for
ProCare Business.

HTI's expert network engineers prevent costly downtime with proactive monitoring, rapid response, and robust backup systems. Keep your practice running smoothly.
