#### IMPROVED PERFORMANCE

*"I love having the option of being able to use LOCATOR R-Tx on LOCATOR Overdenture Implants. Since LOCATOR R-Tx abutments accommodate up to 60° it allows me to use LOCATOR implants in more challenging ridge situations. I've also noticed the new DuraTec coating on the R-Tx abutments helps to reduce plaque accumulation and helps to reduce maintenance over time."* 

-Michael Scherer, DMD, MS, FACP
