ZEST LOCATOR®

ENHANCED CORE TOOL

Zest offers a NEW and Approved Enhanced Core tool

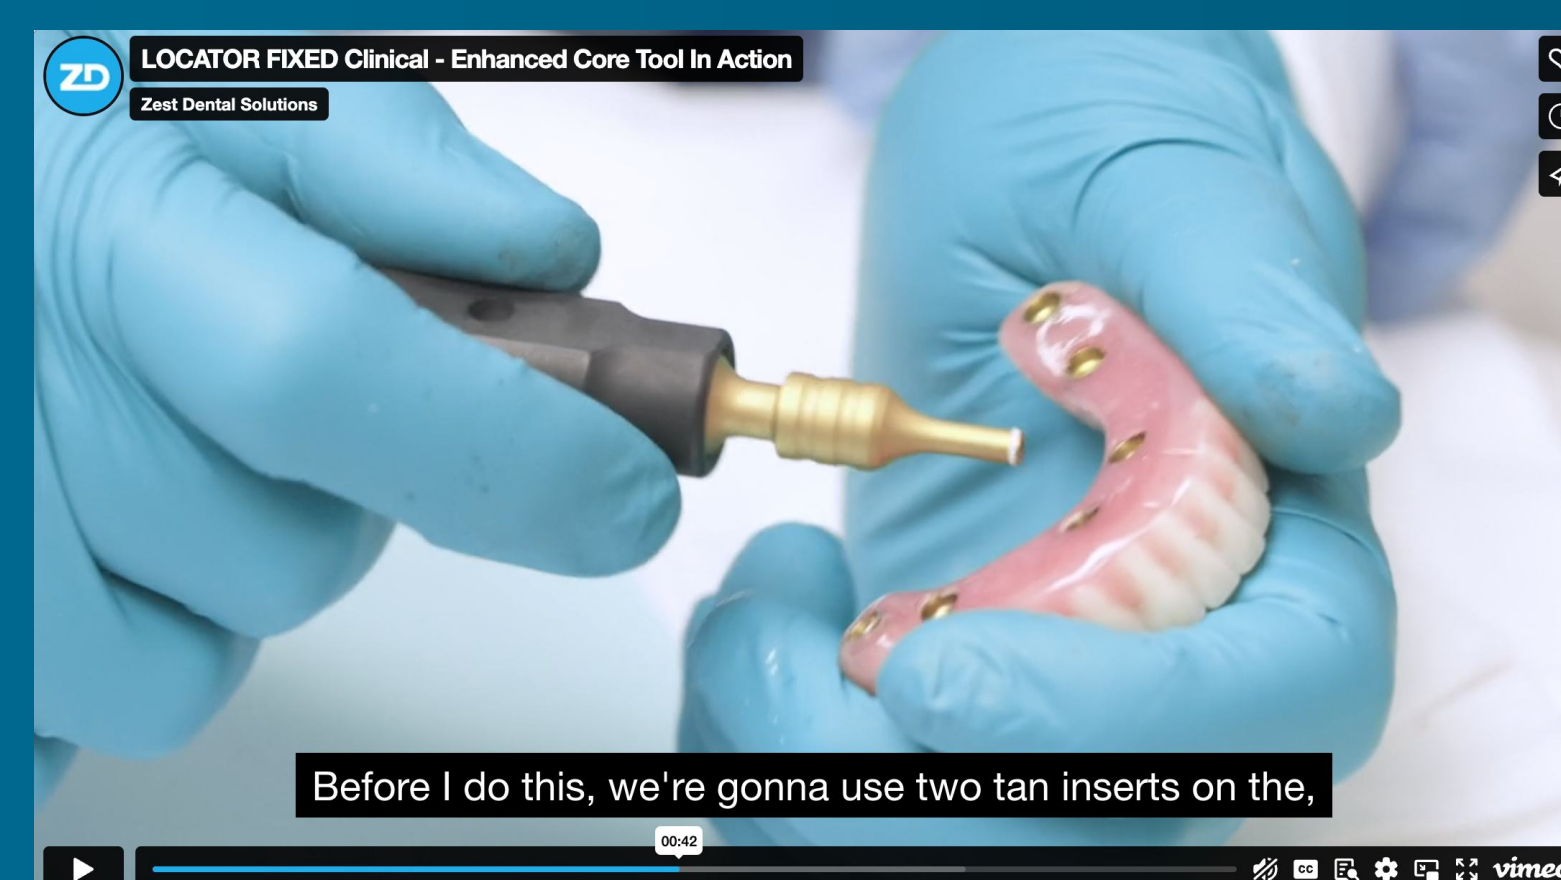

Key Features

- Ideal for both FIXED and Removable procedures.
- New ergonomic handle for a much more comfortable experience.
- Improved tip allows for one-handed transport of each insert.
- Two-sided gold insert can be easily popped out, flipped and popped back in for inserting or removing.
- A reliable, consistent experience for transporting the insert, and performing the insert and removal procedures with one tool.
