### Pay by Text or Email

No more chasing down payments by phone. Give your patients the convenience to pay outstanding balances via email or text.

### Automatic Payment Plans

Spread out patient treatment costs with flexible recurring payments. You set it up, and we'll do the rest.

### Membership Plans

Better serve your uninsured patients, increase your production, and grow your revenue.

### Online Payment Form

Add a form directly on your website, giving your patients yet another easy and straightforward way to pay their balance.
