Solutions for all your workspace needs

Members of our GPO have access to the Workspace Interiors Service which provides comprehensive solutions for office workspace planning and design, project management, and furniture procurement. With over thirty-eight nationwide locations and more than 175 local representatives, this service can easily help turn workspace ideas into reality.

A skilled team is available to manage every aspect of designing and furnishing a workspace interior. You choose whether you want someone to take on the entire process or work in a supporting role with a design and architectural firm.
