AED PRODUCTS & SERVICES

Be prepared for sudden cardiac arrest (SCA), the number one killer in the workplace, with an Automated External Defibrillator (AED) from Cintas. After professional installation, our routine service includes checking your batteries, pads and software.

WATERBREAK®

Forget having to lift and store heavy plastic bottles. With our WaterBreak closed-water system, your staff will enjoy great-tasting filtered drinking water — and you'll rest easy with consistent on-site service every month.

The "AED Program" includes ONLY the sale or service agreement of AEDs and periodic inspection of the AEDs to determine whether the batteries and/or pads for the AED have expired. If expressly and separately purchased by Customer, Cintas may also provide AED and CPR Training, and access to LifeREADY 360™ website. "AED Program" expressly excludes any risk or hazard analysis of any kind or type, including (but not limited to) recommendations regarding the type, number, or placement of AEDs at Customer's facility. Customer is solely responsible for choosing the type and number of AEDs needed and the placement of those AEDs within its facility(ies) and for notifying Cintas of any faults, alarms, or indications that the AED is not functioning properly in between Cintas's periodic service visits.
