

Studio 360 Digital Dentures

Experience superior digital dentures crafted with cutting-edge technology and high-strength, break-resistant materials—designed for enhanced retention and a precise anatomical fit.

Restore Your Patients' Quality of Life

- Seamlessly integrate existing techniques for fabrication of Copy Dentures, Reference Dentures or Immediate Dentures
- Available in multiple shades to support patient aesthetics
- Include a monolithic try-in, one reset, virtual articulation, smile design and a permanent digital record

Three Appointment Workflow

The digital workflow can be completed in just three chairside appointments, allowing patients to receive their dentures more quickly and freeing up valuable chair time.
