

# The NXT Hg5 Amalgam Separator

For over 25 years, Solmetex has led the amalgam separation industry with its award winning NXT Hg5 Amalgam Separator which easily and affordably removes amalgam waste from dental practices.

As a **Total Solution Provider**, Solmetex not only takes care of all amalgam waste handling and recycling in the dental practice, but also houses your Certificates of Recycling in our Compliance Center available online 24/7 at [solmetex.com](http://solmetex.com).

*The NXT Hg5...Good for your practice  
and good for the environment.*

- Available in 3 sizes to suit your practice:
  - mini (1-4 operatories)
  - standard (1-10 operatories)
  - high volume (11-20 operatories)
- Functional with all wet and dry vacuums
- Environmentally friendly packaging
- Simple mail-back recycling program
- Meets all EPA Dental Rule requirements
- ISO 11143:2008 certified by NSF International

## Solmetex — Clearly the leader in amalgam separation

The NXT Hg5 amalgam separator is the industry standard and has won more awards than all competitors combined.
