

# OVERVIEW

Front Office Academy by Dental Success Network is led by Dr. Mark Costes and his team of industry leaders in revenue optimization for dental practices worldwide. Experts include Dr. Addison Killeen of Capital Dental, who is well-known and highly sought after by dentists worldwide to empower their dental practices.

This team and other dental experts, will walk you through best practices and processes to ensure your dental practice is running as efficiently as possible, making every minute count and taking advantage of all opportunities for a higher profit margin.

Front Office Academy is built to help every employee of your dental practice work smarter, every process to run smoother and every aspect of your business to be optimized to its fullest potential.
