

Free Continuing Education Opportunities with DMG

In partnership with accredited CE partner Viva Learning, one-on-one Free CE training is available for you and/or your dental team!

We offer four diverse courses that address the full continuum of dental care, from prevention to restoration, including the latest dental advancements in caries prevention and longterm provisionalization.

All CE credits are ADA CERP certified and each course below is worth 1 CEU self-study credit.

A SOLID FOUNDATION
FOR THE PROPER
FABRICATION OF CORE
BUILD UPS AND POST
AND CORES

THE CRUCIAL ROLE OF
DENTAL HYGIENE IN
