

Your membership plan works better when it works well with your practice management system.

Automate, measure, and grow your membership plan with the most tried and true integration solution for dental membership plans.

kleer® PRO

Why integrate my practice management system (PMS) with Kleer and Membersy?

> Patient auto-enrollment

Save time and reduce manual tasks

Sign members up in just a few clicks by filling in data from the PMS.

> Payment posting

Ensure your patient ledger is up-to-date

Automatically post and balance membership payments directly to your PMS.

> Benefit tracking

Streamline member appointments

Easily find members and see which included procedures have been used.

> Automated marketing

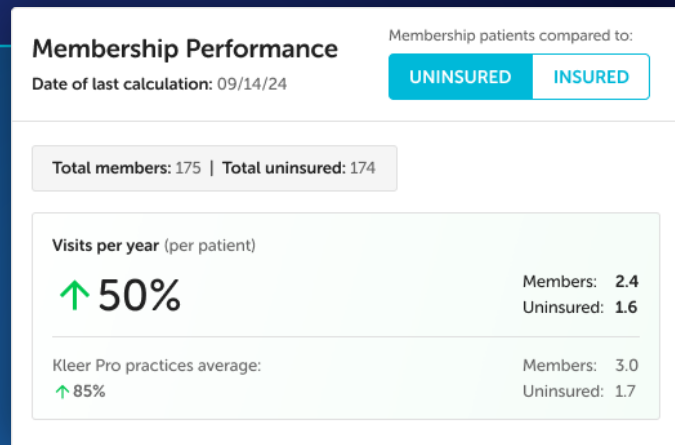

Grow you plan with the check of a box

Invite patients who may be a good fit for your plan to enroll via email campaigns.

> Membership performance

Better understand the impact of your plan

Connect the dots between your practice and your membership plan, at-a-glance.

Ready to make the most of your membership plan?

Kleer Pro set up takes just a few minutes. Connect with our team to learn how you can get started today.
