

# Take your membership plan to the next level with Pro

## Unite your membership platform and your PMS

By integrating your practice management software (PMS) with our membership plan platform, you'll gain the ability to improve your team's workflow, grow your plan, and gain better insight into performance.

### Pro Includes:

- Patient auto-enrollment
- Payment posting
- Benefit tracking
- Automated marketing
- Membership performance

## Grow your plan via local employers

Small businesses want to offer dental benefits, but traditional insurance is often too expensive. With Kleer and Membersy, you can provide your membership plan directly to local employers — giving their teams affordable care and bringing new patients to your practice.

### Pro Includes:

- Employee care

## Tailor your plan to your practice's brand

Bring your brand into your membership plan experience. Your landing page and materials will reflect your practice's logo, colors, and images.

### Pro Includes:

- Brand personalization
