

Turn your new and cash-paying patients into life-long members.

Kleer and Membersy simplify membership plan management, making it easier to care for patients on your terms — driving greater loyalty, revenue, and profitability.

Expand access to essential dental care and treatment with ease.

Earn competitive, recurring revenue to strengthen your bottom line.

Reduce dependence on low-performing payers that limit your earnings.

Membership-led growth reduces the administrative, logistical, and costly burdens of dealing with insurance.
