

Introducing our new partnership

# Minimize your expenses & Maximize your revenue

You joined Synergy Dental Partners to **Spend Less and Do More**. And your savings have certainly helped your profitability.

At Dental Education Partners, our clients have seen how vital the dental hygiene department is for practice profitability.

Boosting hygiene production and profitability enhances patient satisfaction, outcomes, and experience alongside savings.

Half of the patients aged 30+ have periodontal disease, boosting demand can triple perio code count and fees for your hygiene department.

**After all, a successful dental practice starts with hygiene.**

Dental Education Partners gives your practice a tailored Hygiene-driven growth strategy that dramatically increases performance.
