

# Practice Management Bridge®

## Bridge™ Compliance

Navigating the complexities of HIPAA and OSHA requirements is a huge undertaking for any healthcare organization. Rely on Bridge Compliance - a modern and digital solution - to ensure staff are trained and following protocols, routines, and processes that keep staff, patients, and data safe.

### Ensure ePHI is secure

Protect your reputation and keep patient records, including financial information, safe and confidential.

### Reduce time-consuming processes

Tools for centralizing, automating and simplifying compliance management.

### Avoid costly compliance gaps

Stay current on all compliance requirements and risks to avoid the financial repercussions of non-compliance.

### Maintain a safe workplace

Stay up to date on current policies, training protocols, and protection plans.
