

# Practice Management Bridge®

## Bridge™ Engagement

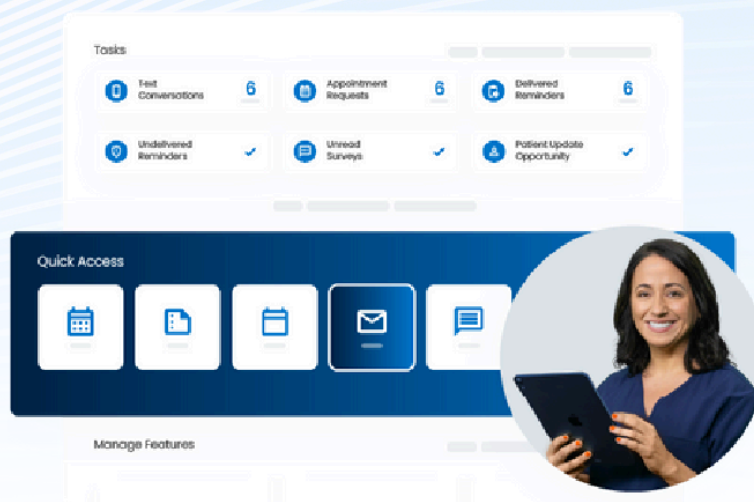

Wow patients by making it easy to get an appointment, remember an appointment, and stay engaged with your practice and their care. When you improve the patient experience you'll attain new patients and maintain better relationships than ever before.

### Communicate conveniently

Stay in touch with patients the way they prefer – text, phone, or email.

### Increase staff productivity

Decrease time spent scheduling and rescheduling.

### Reduce no-shows and schedule gaps

Reduce your no-show rate by automating reminders and rescheduling options.

### Gain valuable patient insights

Collect patient experience feedback and positive public reviews.
