

LET'S PLAN FOR A WIN-WIN FROM THE START

Patient Wins

Unmatched service and peace of mind are now part of every treatment decision.

Whatever life brings, patients enjoy their smile and appliances worry-free.

Protection that follows, wherever life goes - whether it's moving away or just getting away. Patients can redeem with any dentist when they can't return to you, or need to see a local specialist.

No cost repair or replacement, up to the full original value - no deductibles.

CLEAR & CONSISTENT

LIFE PROOF

ANYWHERE, ANY TIME

SMART VALUE

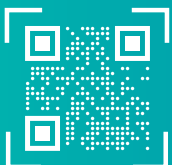

Practice Wins

Set clear expectations up front consistently encourage healthy routines, including regular hygiene visits. Create predictability in your schedule as patients do their part!

A lot can happen beyond your control - whatever life brings, balance the financial health of your patients AND your practice.

Offer new levels of assurance and service not possible before - your nationwide protection plan reaches far beyond the walls of your practice.

Full compensation to repair or replace, up to the original value.
