

INSURANCE VERIFICATIONS:

KNOW MORE, DO MORE - ALL THROUGH OVERJET.

Overjet isn't just AI—You can now verify eligibility and benefits in seconds with a fully automated, accurate solution:

- Utilize a single portal with direct payer connectivity to see patients' coverage
- Submit more robust documentation
- Leverage annotated radiographs as objective proof
- Improve claim acceptance rates

Spend less time on appeals and more time delivering care. Overjet gives your team the data confidence payers are looking for.
