

MEET YOUR PERIO PROTECT TEAM LIAISON

Jackie Morin, RDH
Office Consultant and Team Trainer

Improve Your Practice with Perio Protect

Perio Protect offers innovative prescription Perio Tray™ homecare to improve gingival health and patient wellness. Our turn-key educational and implementation programs make it easy to add Perio Protect to your practices. The results are healthier patients. New revenue follows from great patient care.

- Turn-key implementation with FREE team training
- Preferred pricing
- Patient education and marketing materials
- GPO Liaison for coaching and business support
- Curated CE programs
- Proven homecare protocols for gingivitis, periodontitis, desquamative gingivitis, bone loss, implants and remineralization
- Medicament carrier design that fits CDT codes
- FDA clearance for deep delivery
