SONICflex™ System
Variety Developed to a Fine Point.

The right fit for every use.

The wide range of options offered by the SONICflex will soon make it one of your most-used instruments. Choose the right tip for your needs from the wide range of options.

- Over 50 different tips
- Three performance settings – optimum working condtions, for every indication
- Connects to KaVo MULTIflex coupler – no additional equipment or foot control necessary

Versatility
Tip-top power and a wide variety of applications is just a SNAP away with the KaVo SONICflex.

MUTLI-flexibility
To improve ergonomics and safety, every dental coupler features 360º full rotation with a quick disconnect and a built-in anti-retraction valve.

Performance
Three easily adjustable performance settings – optimum working conditions, for every indication.
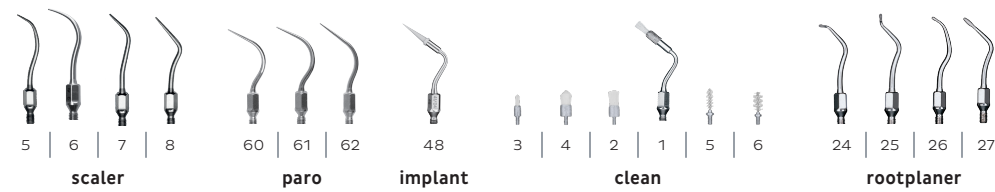

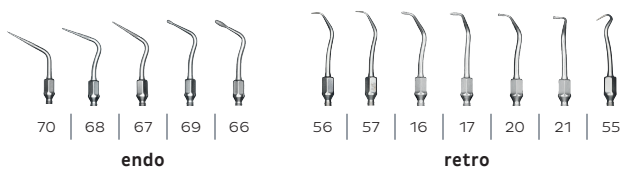

Plasmatec
Plasmatec ensures a secure grip which allows a better tactile feeling and reduced fatigue during long treatments.
