

# A MINI solution with BIG results

## NEW ClearCorrect MINI

Get the smile you've always dreamed of in 6 months or less. The new MINI case option was uniquely designed to address minor malocclusion cases that can be corrected in about 6 months or less.

- One simple rate for up to 12 sets of aligners
- Up to 6 months of treatment
- Includes one revision
- Ideal for treating the aesthetic zone or minor combination treatments

Together, we can change lives by bringing healthier, more confident smiles to your patients.
