

# A NEW COMMERCIAL PARTNERSHIP TO EXPAND YOUR PRACTICE

## WE'RE EXCITED TO ANNOUNCE A NEW COMMERCIAL PARTNERSHIP BETWEEN STRAUMANN GROUP AND SYNERGY DENTAL PARTNERS!

Together, we aim to enhance patient care, streamline workflows, and help practices grow—while maximizing the benefits of Synergy membership. With a global portfolio of trusted brands like ClearCorrect®, Neodent®, and Straumann®, the Straumann Group has long been a leader in dentistry, transforming millions of lives through improved oral health and restored confidence.

Since our foundation many decades ago, we've been inspired to make people's lives better, restoring people's self-esteem and unlocks their life potential. We are proud to be able to make a fundamental difference, because what we do, goes way beyond simply restoring a smile. This Commercial Partnership represents a shared commitment to delivering excellence and making a lasting difference in the lives of patients and professionals alike.

### What this means for your practice:

- Special Product Bundle Pricing
- Access to Comprehensive Education & Training
- Dedicated Onboarding Support
- and more

Bundle and save more. Contact your territory manager for more details.

## STRAUMANN

[LEARN MORE](#)

Straumann is committed to being your global partner of choice for premium tooth replacement solutions.

As a global leader in implant, restorative and regenerative dentistry we share your passion for quality and the desire to achieve the best restorative outcomes. In collaboration with leading clinics, research institutes and universities, Straumann conducts research, develops and manufactures dental implants, instruments, prosthetics, as well as dental biomaterials for use in tooth replacement and restoration, or to prevent tooth loss. As technological advancements are changing dentistry fundamentally, Straumann offers a broad range of products and solutions for both conventional treatment and digital workflows including guided surgery, intra-oral scanning and CAD/CAM restorations.

## STRAUMANN DIGITAL SOLUTIONS

[LEARN MORE](#)

Whether you are a dental professional who is just starting your digital journey or looking for a solution to enhance existing workflows, Straumann Digital Solutions provides access to a total ecosystem of plug-and-play solutions. Our experience and innovative technology, combined with exceptional training, support and opportunities for continued education, serve as a trusted guide for learning and mastering every aspect of the digital workflow. This allows you to remain focused on growing your business and providing exceptional patient care.

## NEODENT

[LEARN MORE](#)

Founded more than 30 years ago – by a dentist for dentists – with the purpose of making it easier to change patients' lives, Neodent solutions are available in more than 95 countries. Focused on ease of use, Neodent dental implant systems focus on progressive treatment concepts, such as immediacy with modern and reliable solutions to enable therapy access and affordability for creating new smiles every day.

## CLEARCORRECT

[LEARN MORE](#)

We are committed to being your partner for clinical excellence. Backed by Straumann's 70-year legacy of research and innovation, we've created an exceptional end-to-end clear aligner experience that empowers clinicians to do their best work. From our proprietary ClearQuartz™ tri-layer material, to the technology and design processes that shape it, our premier aligner provides the ultimate orthodontic tool for every practice. Additionally, the ClearCorrect digital workflow provides a flexible, integrated, and seamless end-to-end experience and our open and integrated platform gives you the flexibility to connect with virtually any digital scanning and imaging source.

## EDUCATION AND PRACTICE GROWTH

[LEARN MORE](#)

Straumann's professional training and continuing development in implant dentistry is dedicated to advancement through utilization of the latest technologies, materials, and techniques currently available in today's marketplace. With a focus on continuing education, we aim to provide a comprehensive array of straightforward to advanced full arch training content spanning both clinical and business-related topics.

Successful practice growth requires more than just clinical expertise. Our Blueprint Services are designed to help you streamline your operations and optimize resource management, allowing you to focus on what you do best - providing exceptional care. Based on best practices from top-performing clinics across the USA and globally, our services help you to benefit from proven strategies and innovative solutions.
